announce that Brother Chris Clark will be joining in our degrees to provide a musical atmosphere. He is a member of Consuelo Lodge No. 325, in Escondido. He is the brother who played the piano at Bro. Tom Achenbach's' 3rd. We are really looking forward to his talents adding to our degrees.

At our April Stated meeting Wor. Allen discussed purchasing a carpet for our lodge degrees. He found a manufacturer in England that makes custom carpets for Masonic Lodges. We have been in touch with them and have worked up a design, see image in this issue. This is a preliminary design to give you an idea of the overall design. I will have the completed art work by our Stated Meeting and will have it projected on the wall for all to see while we discuss the

purchase particulars. We are talking about paying for the carpet with a combinations of funds from member donations as well as from our general fund. The carpet size will be 12x15 which fits perfectly between the alter and the East steps and the SD and MAR chairs. I was a visitor to SWH the last time purchasing a carpet came up and the brothers I brought up from Temecula were so impressed with SWH's decorum that we affiliated.

Another new addition to the degree experience we will be offering to our candidates is, we will be projecting the lecture slides, available from Grand Lodge, during the 1st and 3rd degree lectures. These are copies of the old school glass slides, that have been digitized for modern projectors. We will also projecting the Trestle Boards from each degree, since we'll already be setup.

## Masonic Education

I gave the April lecture on the Mason's path thru the Tarot. It follows the Mason thru the Higher Arcana. I gave a masonic perspective to the meaning of the cards and the gifts the image offers to the Mason. We had a pretty good turn out and several brothers asked for a cope of the power point.

Our May 21st Lecture will be presented by Brother Alan Gatlin. I don't have the information on his paper yet, but his are all really well done. Although I will be on vacation, I am going to do my best to get down to SD to attend. You probably should too.

I will be giving the June 18 lecture on the hypnosis that naturally takes place in our ritual. I explain what hypnosis is, and how it works. I get into the ways you are moving in and out of hypnotic states everyday. I finish up the lecture with a discussion on how we can

use this natural state to help the candidates better learn the work.

It's been brought to my attention that no one reads our Trestleboards, although to be fair, I do know that Worshipfuls Stahr and Winstanley, do read them, since the day after they receive them, they call to comment on the issue. Since I've always suspected this was true, I usually write my remarks with these two brothers in mind. Not that anyone else isn't welcome to read my letters or that the info provided aren't relevant to their SWH Lodge participation, cause it is. It's also why I send out separate emails for those who do avoid the reading here. Perhaps we should start hiding a random word within the text that brothers can discover and enter for a change to win a free stated meeting dinner. This could be a fun way to not only get us to read the TBs but to see who is

reading them. Maybe if in fact no one is reading this publication we can simply do away with it. Let me know what you kniht. We can vote on the idea at the May Stated Meeting.

Speaking of funds, I received a sizable list of our members who have not

paid their dues for a year or two. It may be that you've just been busy or it could be a clerical error, or maybe your dues got lost in the mail, it really does happen. I'm not sure if you aware but regardless of you paying your dues to SWH Lodge, we still have to pay

the Grand Lodge your per capita of about \$50. If you are having a hard time financially, we can remit your dues for the year and you will stay in good standing. If you do need help, please don't hesitate to contact me anytime and we will work something out. In fact, if you are having any issues, please

let us try to help you in anyway we can, we are here for you and your family.

We look forward to spending time with you on Tuesdays.

### EDITOR'S CONTINUAL REQUEST

We have been able to get our mailing costs down by using email for the delivery of the Trestleboard. That said; we would like to get to more of an email delivery to save the lodge even more money. This would be so helpful. Therefore....

If you have a working email address, please help your lodge save money by informing us so that we can begin emailing your Trestleboard and saving the postage. You can email me at: [MagicalMason574@gmail.com](mailto:MagicalMason574@gmail.com) and/or Wor. Dimiter, our Secretary, at: [hackettlodge@gmail.com](mailto:hackettlodge@gmail.com).

Please remember this is not the final design but a preliminary, for the over all look. The changes still to be made are colorizing the working tools in the corners, and adding the chartered date October 11, 1923 to our lodge.
