FROM THE EAST

Brethren and Ladies:

Well, Worshipful Chris and Finesse Parker are “home” in Tennessee and loving it!

April was busy as we welcomed our newest Entered Apprentice, Brother Ethan Carswell into the Stated Meeting for the first time. I even had the pleasure of having him sit in the Junior Steward chair and I hope that he will be joining the officer line when he is raised a Master Mason, but that will obviously be his choice. I am planning a very unique second degree for Brother Carswell. I don't believe it has ever been done before, but for the degree I am working to have a Master in every position for the degree. Not Past Masters, but current sitting Masters. I have it nearly set up with the great cooperation of the Masters of each lodge. They are all gracious in their acceptance of the positions and, in fact, say that they believe the degree will be fun, unique, and especially memorable for Brother Carswell. It will also be a wonderful opportunity for all the Masters of other lodges to be able to be with and work with their Brother Masters. I am planning the degree for May 17th.

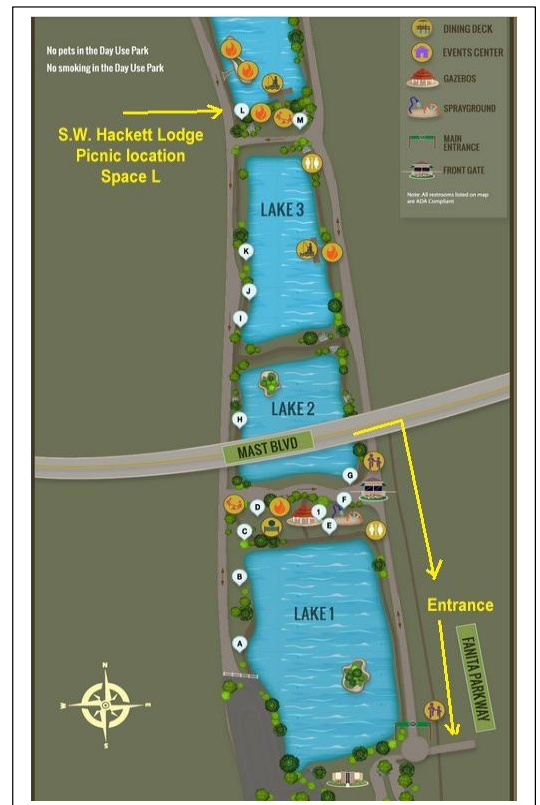

Planning for the June 18th picnic continues. Many Brothers and Ladies have signed up and said what they will bring. Some people weren't sure yet about what they will bring, and that is okay too. We still would like a salad of some kind, macaroni and/or potato. We also need ketchup & Mustard and other condiments, tomatoes, pickles, onions and maybe some cookies. Or if you have a special dish that you would like to bring, that would be great. Ingrid and I will bring the hamburger patties, wieners, buns, plates, knives, forks and spoons as well as tablecloths for the picnic tables. If you haven't attended or won't be attending the stated dinner, and wish to sign up for the picnic and that you will bring something, please email me at mason574@irfutures.com. Thanks and here again is the information on the location of the picnic. Remember that we are in space “L” at Santee Lakes recreation center.

Keeping this short as we head into May. At the Stated meeting in May, we will again attempt to receive Worshipful Richard Bullard, our inspector. Also at the May meeting we will be discussing the plans for the Fellow Craft degree for Brother Ethan Carswell as you can see above, the degree will be on the 17th of May.

That is all I have for now, so will say stay happy and healthy
And be sure to attend the Stated dinner and meeting.

Thank you all and I'll see you in lodge.

Dennis Stahr, PM, Master

FROM THE WEST

Aah, the lovely month of May. You may sometimes hear the phrase "April showers bring May flowers", referring to the ending of the dreariness of winter and the fresh approach of spring. However, it can also be used to refer to the ending of a long period of difficulty and hardship, followed by good and more prosperous times ahead. Nothing could be more applicable to the circumstances we have recently endured.

This year, Mother's Day is Sunday the 8th. Please call your Mom! If she has passed, say a prayer for the time and effort she spent raising a family. Remember also that if you have children or grandchildren, there are mothers in your life who deserve to be recognized and adored.

May is also our opportunity as a nation to remember those members of the U. S. military who gave their lives in service to our country and to honor those who are still serving on active duty.

The first is Armed Forces Day, celebrated on the third Saturday. It was first observed on May 20th, 1950, to honor those Americans serving in the five U.S. military branches following the consolidation of the military services into the U.S. Department of Defense.

Second is Memorial Day, originally called Decoration Day. There is some disagreement about the origin of the observance. We do know that in 1868, General John A. Logan called for a "Decoration Day", which was widely celebrated in both Northern and Southern cities until 1970. The World Wars turned it into a generalized day of remembrance, instead of just for the Civil War. In 1971, Congress standardized the holiday as "Memorial Day" and changed its observance to the last Monday in May. On Memorial Day, the flag of the United States is raised briskly to the top of the staff and then solemnly lowered to the half-staff position, where it remains only until noon. It is then raised to full-staff for the remainder of the day. Please spend a few minutes remembering our fallen heroes and the families mourning their losses.

Fraternally,

David A. Haslim, Senior Warden

Ladies Corner

Hello ladies.

Just want to say thank you to all of you who attended the April stated dinner. We had such a great turnout and it was so nice to see so many full tables. I hope this will continue.

Also, remember that Miss Gillian Franklin, Grand Bethel Treasurer is having a formal reception on Saturday April 30 at 7:00 at the Scottish Rite Center. Please contact Jennifer Franklin at 619-952-4844 to confirm and for any questions by April 24th.

Remember that May 12th is the Spelling bee. Don't miss that. It is always great fun and we are always so appreciated by the school and the kids. We will see you there because Dennis and I have never missed it.

As the Master said in his "From the East" message, we have several signed up for the picnic but he also noted that we would still like to have more signing up and more items that are still needed for the potluck.

Sincerely, Ingrid
