NOVEMBER 2010

FROM PILLAR OF WISDOM

Brethren and Ladies, Welcome to November! National, State, Local and Lodge Elections are upon us. This stated meeting we will welcome the flag of our country and elect the next officers of our lodge. The officers elected will go forward with the business of S. W. Hackett. We have a fine group of officers ready to assume their stations and I am confident that in their hands the best

interests for the future of our membership will always be paramount.

We have a busy month scheduled with our Past Master's and Old Timer's night scheduled for the 16th and possibly two 1st degrees on the 29th. I look forward to seeing you at our coming events. Remember Tuesday is Lodge Night.

Fraternally,
Kyle Dau, WM

FROM PILLAR OF STRENGTH

Ladies and Brethren

We have a busy November coming up and dates of events are detailed below. Please be sure to call in reservations to the lodge office and leave a message if Secretary Gamache is not in. November stated meeting is generally well attended both because of annual elections and volunteers are selected to bring food and gifts for our annual Christmas Dinner donations though the Partnership in Education program.

Degree Tuesday Nov. 30th

Some early dates in December may be penciled in also as the busy Holiday season approaches.

SW Hackett #574 will hold its annual installation of officers Saturday December 11th at Noon in the Heald Room at the Scottish Rite Center.

The ceremonies will be followed by a pot luck lunch. The incoming lodge officers will be holding an installation practice Thursday December 9th in the lodge room.

Our Public Schools liaison Jim Achenbach, PM has been notified by Sequoia Elementary that the SW

EA & FC Night III

On Thursday December 2nd at 7:00 pm, S.W. Hackett Lodge in brotherly cooperation and assistance with East San Diego Lodge, #561 will present EA & FC Night III.

This night of celebration of all Entered Apprentice and Fellow Craft Masons will be held at East San Diego Lodge, located at: 7849 Tommy Drive - San Diego, CA 92119. As before, this night is to encourage and inspire our Masonic Brothers who have taken the first or second step in Masonry as well as those Master Masons who desire further light.

As in past EA & FC nights, The Lodge will be opened on the First degree of Masonry so that all can attend. We will then call to refreshment so that informal presentations and discussion can take place. At the close

of the evening, we will return to labor and close the lodge.

This night will include a presentation of some explanations and definitions of some parts included in the first degree ceremonies that are often overlooked or misunderstood by the candidate and even by some Master Masons.

We will again be fortunate to have Brother David Watson presenting another interesting lecture and, as the last lecture, this one will expand on the role of Masonry in our history and its links to many cultures. Learn more of the "Mysteries of Freemasonry". Also as the previous lecture, this one will be acceptable for Entered Apprentice Masons, as Brother Watson will leave out the deeper mysteries that are

- 9 Installation Practice 7:30pm
- 11 . . . Officer's Installation TBA

Ladies Corner

Thanks to all who attended our October Stated Meeting.

If all goes well, our Senior Warden, Steve Laurvick, will be installed as Master of the Lodge on December 11, 2010. His brother will be providing the main dish with the rest being Pot-Luck. I will have the sign up sheet at the November meeting. Also, we will be signing up for next year's table decorations, too.

The guys will have a Past Masters' night on November 16 and, as usual, the ladies will take advantage of trying different cuisine while the guys are enjoying Ranch Catering.

We will make a decision where we will be going at the November Stated Dinner. If you would like to join us for dinner and are not able to attend the Stated Dinner, please give me a call.

It's been a good year for me, helping Kyle make this past year a success. I appreciate the support I've received from all of you.

With the holiday season upon us, remember if you see anyone who is in our military, thank them for their service.

Thank you all. Have a Happy Thanksgiving.
Marty Haslim

FROM THE WEST CONTINUED

Hackett Lodge sponsored Spelling Bee has been scheduled by the school on February 17 (Thursday) 2011. This is months earlier than in previous years and February will come fast.

Consolidation Committee Notes

As of the time of this writing we are awaiting notification from the East San Diego Consolidation Committee as to which items

on the agenda from our joint committee meeting (held last month) may be outstanding. Our committees continue with due diligence work as Gerald Lynn PM and Assistant Secretary of SW Hackett Lodge will be meeting with William Hayes, PM and Treasurer of East San Diego Lodge to review the books of our respective lodges.

Sincerely and Fraternally

Steve Laurvick,
Senior Warden

FROM THE SOUTH CONTINUED

learned by, and appropriate for, Fellow Craft and Master Masons. Those who have attended in the past will tell you that even as Master Masons, they were brought some very interesting information and that it was well worth the attendance.

We were pleased with the response from the attendees of the first and second EA & FC Nights, and look forward to another good night of brotherhood and education. All the Brethren are invited and encouraged to attend.

We again cordially invite, and strongly encourage, all Masons from all Lodges to attend. We look forward to seeing you there. For further information, questions or suggestions for program inclusions,

Please mark this date on your calendar and try to attend. We look forward to seeing many new faces.

Sincerely and Fraternally,

Dennis Stahr,
Junior Warden

PONTERINGS

From Geometry the lost art of Navigation tricks known to a few, for you to try and hone that some day might be useful or impress your grand children or others. The first requires the use of a wristwatch the other a tall stick say thirty inches. The watch method must not use DST in fact just the opposite, in winter it is set ahead one hour and in summer back one hour with spring and fall left alone. Point the hour hand in the direction of the sun determine the midpoint between it and twelve on the dial and that is the direction of south. The

opposite is true in the Southern Hemisphere. Place a stick in the ground as straight as possible and mark it's shadow with a stone, wait say fifteen minutes and place a stone an equal distance from the pole on the shadow and draw a line across determine the midpoint sight to the pole and that direction is south the two stones also indicate east and west. have some fun and try your skill against a compass. Both methods become difficult as you approach noon.
