NOVEMBER 2018

FROM THE PILLAR OF WISDOM

Brethren & Ladies,

The year is coming to a close soon. In October we had our Grand Lodge Communications, Octoberfest beer, and passed brother Tom Achenbach to the second degree. Norma and I were married on October 18, at the San Diego County Administration building downtown. It was a joyous event for the both of us, and now we start our life together as a married couple. We met over thirteen years ago, and our love has grown and grown. We are looking forward to a long and healthy life together.

We will be having our election of officers here in

November, and we are still short of a couple of positions. With this being said, we will push forward in a Hackett tradition.

We now need to finish our qualifying as time is a ticking.

I'd like to thank all of our Brethren and Ladies for their continued support of our Lodge.

This is a good time to remind all of our brethren to come on down to Lodge and share the fellowship with us.

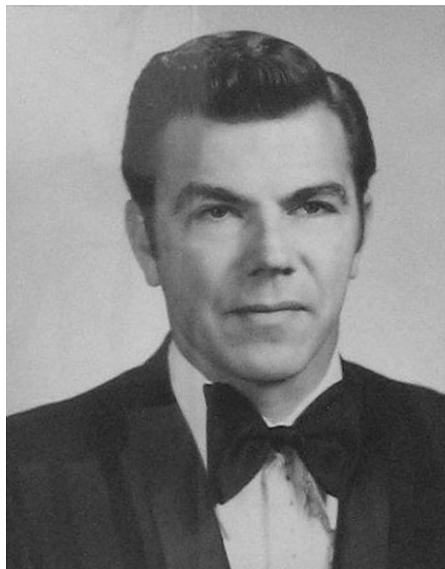

Drive Safe and I hope to see everyone in lodge.
Sincerely and Fraternally,
Bro. Bob Salini

Fraternally,

FROM THE PILLAR OF STRENGTH

My Brother,

It's starting to get real. It hit me the other day that it's quite possible that I will be in the East again. Hopefully the third times the charm. Odds are I'll get it right this time, well see. I love this lodge and my Brothers so much that even though I rather someone else take the seat, I do plan to work hard to make next year successful so I can pass a heathy lodge on to Brother Parker. I very much want to thank our newlywed, Worshipful Salini for doing the same for me.

Assuming none of the brothers I plan to nominate get elected and I do, I plan to continue our Masonic Education Series, and I'm also working on some other ideas that I hope you'll find fun and enriching.

Just a couple months ago we had holes in both Warden chairs, and we weren't sure if we would be able to fill those seats.

Brother Chris Parker stepped up and said he take the JW seat and then had to do the work. I want to acknowledge how hard Brother Parker has been working to get proficient. Not only has he passed the Jr Warden's part but he's working to complete the Sr Warden's part so he can be installed in that seat. Which will just leave us with a hole in hole South. The good news is that now we will have a strong flow into next year. Unfortunately this will mean that next year we will probably need to rotate PMs in that chair as needed but hopefully we'll have someone who

will take the seat permanently soon enough to flow through to the East in 2020. The rest of our chairs are looking pretty good so from then on we should be sitting pretty. Make sure when you see brother Parker you give him a pat on the back, he really deserve one.

S.W.H. Lecture Series

On NOV. 20, Brother Lowell Mercer will present part 2 of his lecture on "Memory, Consciousness, and Physics". Part 2 of his series will focus on Remote Viewing & random event generators. This lecture will be open to all. We will start at 6:30 and go

FROM THE PILLAR OF BEAUTY

Brethren and family members, Thank you for entrusting me with the Junior Warden Station in the South for the rest of this Masonic year.

I would also like to thank the Officers and Ladies for gracing the installation. And I offer my deepest gratitude to Worshipful Master Bob Salini, Worshipful Dave Haslim, Officer's Coach Dennis Stahr, and Brother Bob Gale, for their time, support, and

for a very memorable ceremony. Sister Finesse and I were truly honored by your presence.

I look forward to the continuous growth of our SW Hackett Lodge #574 -- in membership, affiliation, education, and fellowship.

Always remember Brotherly Love, Relief, and Truth...

ELECTION OF OFFICERS FOR 2019

At our November Stated Meeting on Tuesday November 6th, we will hold the annual election of officers to serve SW Hackett Lodge for the ensuing Masonic year. Although all Masons are encouraged to attend the Stated Meeting and the election, the Brethren are reminded that they must be a Master Mason of SW Hackett Lodge, in good standing (current with 2018 dues) to vote in the election of officers.

till about 8:30. Directly after the lecture anyone interested will be able to participate in a 15 - 20 min remote viewing session.

On Oct. 16 I presented my lecture on the hypnotic nature of our masonic ritual. I hope those who made it learned something new. Part of my lecture dealt with how the mind works and since I have space to fill, I thought I'd share the info with you here.

Some may remember back in the day when it was a fad to listen to recordings while you slept as a way to learn that information. Unfortunately during the sleep state we

don't actually learn. It is however the 30 minutes prior to falling asleep that's one of the best times to learn. Contemplating things during this period also promotes what's know as venting dreams, which take place in the third stage of sleep and allow for the removal of negative inputs and past conditioning which you no longer need. You also eliminate ideas which you do not want to have as part of your conscious awareness. These dreams will push out the failures and the problems you have and replaced them with your positive desires.

Here's a fun thing to try: 30 minutes before going to sleep, handwrite your thoughts and dreams which will imbed those ideas into the subconscious. If you repeat this every night for at least 21 days it will cement those thoughts, wants or ideas in your psyche. This works

for anything you want to learn or change about yourself and the best part, it's free. It's amazing what your mind can accomplish.

We look forward to spending time with you on Tuesdays.

Sincerely and Fraternaly,
JR Knight, PM
Senior Warden
