DECEMBER 2018

FROM THE PILLAR OF WISDOM

Brethren & Ladies,

Here we are in December! The year has come to a close, and it was another good year here at Hackett. I want to thank all the brethren and their ladies for the continued support in keeping our lodge going all year. It's truly a blessing that YOU, came in and shared dinners, and events with us and that we continue to share and enjoy our time as a

Masonic family. We still have the Holiday food drive, and gifts for our families at Sequoia ahead of us. Worshipful

Achenbach once again has organized and I think we're ready for our delivery in December. We have our officers elected, and the Installation is scheduled for Saturday, Dec. 8, at 11am. I'm hoping that you all can come down and attend this years installation, as

Brethren,

I would like to take the opportunity to thank you all for electing me to serve as your Junior Warden for the ensuing Masonic Year. I will endeavor to execute the duties with the reverence and respect befitting the office. Freemasonry has given me important tools for self-reflection over the past several years and it is my sincere hope that I may aid in bringing a similar sense of belonging and growth to our extant brothers as well as impress upon any future candidates/brothers the profound impact that masonic introspection has granted me. I invite all our brethren to reflect on the tenets of Masonry as well as share in the joy that our ancient brotherhood has to offer.

Thank you.
Nick Baker

FROM THE PILLAR OF STRENGTH

My Brother,

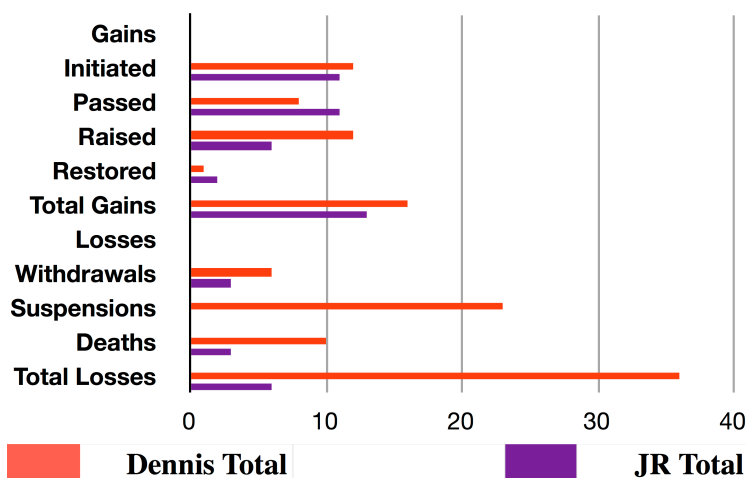

I'm starting this months message with a call for your help. Worshipful Stahr has again challenged me to beat his degree record. He's been Master twice and this is my second time here at SWH. We've add up his numbers from both years and compared them to mine so far. As the graph below demonstrates, besides that I

needed to fill space, I need to initiate 1 man to tie; I am ahead on passings by 3; I'm behind by 6 raising; I'm behind by 3 for total gains.

On the loss side of the graph Dennis is way ahead, by 30 in fact, and I'd just assume let him win that half of the ledger.

So here's what I need you to do. If you are one of the 10 Local Members who have not yet finished

FROM THE PILLAR OF BEAUTY

Brethren and family members,

Thank you for entrusting me with the Senior Warden Station in the West for the next Masonic year.

Here's to the next year of offices for the lodge. I look forward to supporting the lodge and assist with continuing to build the lodge line for the coming years.

As all ways I look

forward to the continuous growth of our SW Hackett Lodge #574 -- in membership, affiliation, education, and fellowship.

Always remember Brotherly Love, Relief, and Truth...

your degrees, please get ahold of me so we can get you raised, but more importantly, so I can beat Dennis. I'm planning another **Warped Ruler Program** on **February 26** to help you get motivated, I hope you will save that date and attend. You will receive an invitation soon.

For the rest of my Brothers you can help by encouraging your lagging brothers to complete their degrees. You can also attend the **Warped Ruler Program** and share your Masonic experiences with your brothers. In addition, please don't hesitate to bring any good men you know to visit our Lodge.

Since the Twenty-four inch Gauge is an equally divided straight edge ruler used to illustrate a Masons need to effectively divide his time and then remind him how fleeting his time is on this Earth. I thought holding a program called "Warped Ruler" might serve as a motivation to reintegrate those lagging Brothers and afford them a pathway back on their "Masonic Journey".

The image of a Warped

Ruler is intended to symbolize to the Mason, his need to protect and take care of that valuable gauge by which he is thought to divide his time as well as to remind the Leadership of his Lodge to make his time in Lodge as worthwhile as it can be.

S.W.H. Lecture Series

There will be no Masonic Ed in December. On Jan. 15, Brother Lowell Mercer will present part 3 of his lecture on "Memory, Consciousness, and Physics". Part 2 on Remote Viewing & random event generators was amazing and this should conclude his lecture set. You wont want to miss it. We will start at 6:30pm and go till about 8:30. This lecture is open to all Masons and their friends.

On Feb. 19 Wor. Mark Doubleday will present a lecture on his latest rabbit hole, The Ruffians. This lecture will only be open to Master Mason.

We look forward to spending time with you on Tuesdays.

Sincerely and Fraternally,
JR Knight, PM
Senior Warden
