

# Presentation:

## **The mysteries of Nicola Tesla 2.0 & The Secrets of Chinese Freemasonry**

On Tuesday November 29<sup>th</sup> Bro. Dave Watson presented a lecture titled "The Mysteries of Nicola Tesla, Freemasonry & the Secret Destiny of The United States of America." There were over 30 Brothers in attendance representing Lodges from all over the county. The presentation generated a great deal of interest and received many compliments.

One topic Bro. Dave has been lecturing on for many years is ancient Freemasonry in China (for example, Fu Hsi & Nuwa) and Sun Yat-sen, a Chinese Freemason and one of the main leaders of the revolution that overthrew the last imperial dynasty, the Qing Dynasty. Sun Yat-sen is known as the father of the Chinese Republic.

Brother Dave has been using Masonic *times & seasons, years & cycles* from the ritual to gain insight into how things may transpire between 2017 & 2027. China, and now Taiwan, are both constantly in the news. The President-Elect shocked the world when he accepted a phone call from the President of Taiwan only days after Bro. Dave's previous lecture. One could argue that Bro. Dave's previous lectures have contained a great deal of insight.
